### **Disclaimer**

American & Efirm is providing this color card for your convenience. This color card is not a warranty and in no way shall create any legal obligation or liability on the part of American & Efirm.

As the conditions of use, washing, processing, dry cleaning, handling, storage, sewing, refurbishing, pressing, pre-washing, oven and other curing techniques, etc., are beyond our control, the purchaser and/or user of the thread should determine if SunStop® is suitable for the purpose for which it is intended. It is the responsibility of the purchaser and/or user to appraise the thread and assure themselves it is the proper character of dye, thread type, size etc. and otherwise suitable for the proposed application. American & Efirm makes no warranty as to SunStop®, including any representation about the durability of SunStop® from exposure to sunlight, weather, rot, mildew, water, processing, handling, storage, cuts, fires or high-temperature exposure.

Please note that this representation of actual colors is limited by the printing process, and should be used for general guidance purposes only. Variation in computer displays, printers and varying lighting conditions may cause colors to display or print incorrectly. For critical shade standard assessment, please request actual physical thread samples.
